

## North Dakota State Parade Highlighted Guidelines

- All participants must provide their own written number on both sides of the vehicle and in the front. Numbers should be the size of a standard piece of paper 8.5/11.
- For safety reasons and insurance reasons please no throwing of candy/prizes. Walkers must be used to hand out items to the crowd.
- Please do not allow riders to get on and off while the vehicle is in motion.
- Viewers of the parade stay to the sidewalks and do not allow children into the road while it is in motion.
- Entries not following the rules may be banned from future parades.

### **We care about everyone's safety as viewers and participants.**

The route of the parade will go from the corner of Burdick and Broadway down Burdick, enter the south end of the state fair and exit the north end of the state fair.

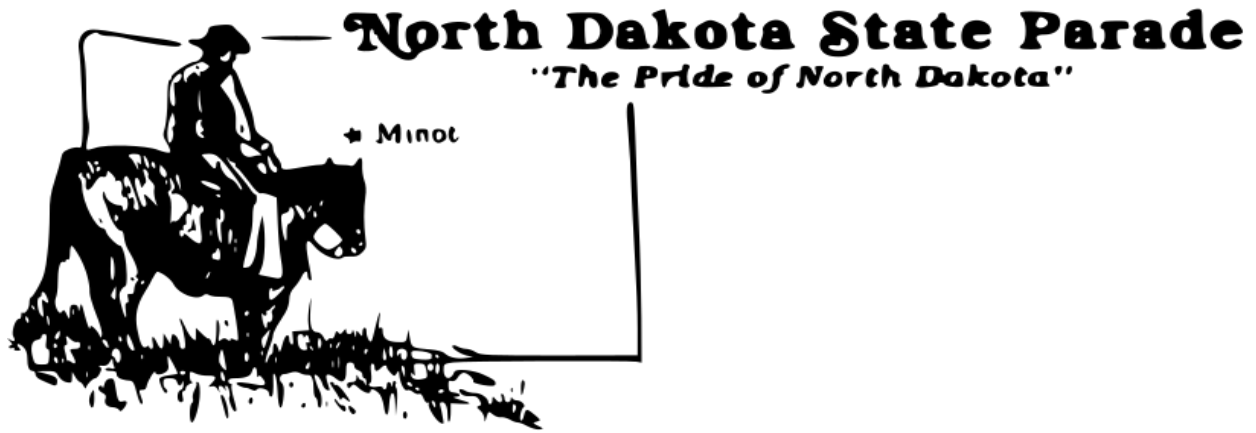

**All parade entrants must exit the fairgrounds to the designated pickup spot, before offloading passengers. The fair asks that you exit and re-enter using the ticket provided to you.**
